

Course Planning at PCI

CURRENT GRADE 9

Mrs. Pruden
Guidance Counsellor

Graduation

30 credits required: 20 core courses & at least 10 options

	Grade 9	Grade 10	Grade 11	Grade 12
CORE 20	English	English	English	English
	Math	Math	Math	Math
	Phys. Ed.	Phys. Ed.	Phys. Ed.	Phys. Ed.
	Social Studies	Geography	History	Gr. 12 Option
	Science	Science	Gr. 11 Option	Gr. 12 Option
PLUS 10 OPTIONS	Career Development (Division Requirement)			

Graduation Requirements

Provincial Diploma = 30 credits from High School

Vocational Diploma = 30 credits, including specific vocational program requirements

Provincial Diploma with Distinction = 32 credits

The focus should be on doing well in a manageable load. Be careful not to overload yourself with the number of courses.

Honour Roll Requirements

Students who have maintained an 80% average will be named to the school's honour roll. The awards average is calculated as follows:

Grade	Core Subjects	# of Best Electives
9	5 core courses (Eng., Math, Soc., Sci. P.E.)	2 best electives (at Gr. 9 level)
10	5 core courses (Eng., Math, Sci., Geo., P.E.)	2 best electives (at Gr. 10 level)
11	4 core courses (Eng., Math, History, P.E.)	3 best electives (at Gr. 11 level)
12	3 core courses (Eng., Math, P.E.)	4 best electives (at Gr. 12 level)

Note: Grade 12 Pre-Cal counts twice, as Math + one elective

Grade 12 Graduation vs. Post-Secondary vs. Honour Roll Requirements vs. Entrance Scholarship Requirements

Grad Requirements in Manitoba: English 40S, Math 40S, Phys Ed 40F and 2 other 40S courses

Post-Secondary Requirements: English 40S, Math 40S, Phys Ed 40F and 3 other 40S courses (excluding Vocational Courses)

Honour Roll Requirements: English 40S, Math 40S, Phys Ed 40F and 4 other 40S courses. Note: MAP40S counts for Math 40S and one other 40S course.

Entrance Scholarships: Post-secondary requirements plus specific eligible courses

Note: See Ms Bousquet ASAP in the Career Centre to check these requirements

Grade 10 Core Courses

All Grade 10 Students must take the following 5 core courses to meet graduation requirements:

English	ELA20F
Math	MAE20S or MAT20S
Phys. Ed	PED20F
Social Science	GEO20F
Science	SCI20F

Grade 12 English Options

Grade 12 students must take at least one of the following courses:

- *English Transactional Focus (ENT40S)
- *English Comprehensive Focus (ENC40S)
- *English Literary Focus (ENL40S)

In addition, students can also take the following Grade 12 English Option:

English Advanced Placement (ENG42S)

Grade 10 Math Options

Grade 10 students must take at least one of the following courses:

***Math Essentials (MAE20S)**– practical, everyday math, math for life

***Introduction to Applied Math and Pre-Calculus Math (MAT20S)**–

Prerequisite: MAT10F with a suggested mark of 65% or higher with a strong work ethic.

Introduction to Applied and Pre-calculus Mathematics is intended for students considering post-secondary studies that require a math pre-requisite. This pathway provides students with the mathematical understanding and critical-thinking skills that have been identified for specific post-secondary programs of study.

How do I decide what math to take?

- Talk with your Gr. 9 Math teacher
- Check post-secondary program requirements. Changing math streams requires taking the Gr. 10, Gr. 11, and Gr. 12 math credit in that stream.

Grade 10 Phys. Ed. Options

You must take one of the following:

Phys. Ed.	PED20F
-----------	--------

Basketball Skills Academy	PEB20F
---------------------------	--------

Note: You may only take **one** Phys. Ed. credit in Gr. 10.

Option Courses For Grade 10

Course Selection Challenges

PLEASE NOTE:

The courses we are offering now could change. We hope to offer all of the courses listed, and will notify you of changes in the most timely manner possible.

Grade 12 Option Courses

(Non-Vocational)

Computer/ Technology Education	Performing Arts	Fine Arts	Human Ecology	Language Courses	Social Sciences	Sciences

Vocational Courses

Applied
Commerce

Automotive
Technology

Hairstyling

Building
Construction
Trades

Early
Childhood
Education

Tech. Ed./Vocational Programming

Tech. Ed./Vocational Diploma = 30 credits

Students can earn a dual diploma – the Manitoba High School Diploma and a Vocational Diploma. In order to earn a Vocational Diploma, students must take a minimum of 8 courses in their chosen vocational stream:

Applied Commerce

Automotive Technology

Building Construction & Trades

Early Childhood Education (NEW in 2022-23!)

Hairstyling

Applied Commerce

Grade 9	Grade 10	Grade 11	Grade 12
Business Innovations BUS10SV	Creative Promotions PRO20SV	Accounting Essentials ACC30SV	Accounting Systems ACC40SV
	Personal Finance PFI20SV	Retailing Perspectives RET30SV	Business Management BUS40SV
		Venture Development VDV30SV	Economic Principles ECP40SV
			Marketing & Digital Commerce MDC40SV

Early Childhood Education

Grade 10	Grade 11	Grade 12
Introduction to Infants CC120SV	Guiding Children's Behaviour CC130SV	Applied Childcare (NEW!) CC140SV
Introduction to Preschool Children CC220SV	Child Care Techniques CC230SV	Curriculum Planning (NEW!) CC240SV
	Communication Skills (NEW!) CC330SV	Family Dynamics and Child Abuse (NEW!) CC340SV

Automotive Technology

(Power Mechanics)

Grade 10	Grade 11	Grade 12
Introduction to Automotive Technology PM110S	Automotive Electrical Systems PM540S	Applied Diagnostic Strategies PM440S
Engine Fundamentals & Service PM230S	Drive Train Fundamentals PM130S	Automotive Systems & Service Engine Recondition PM220S
Chassis Fundamentals & Service PM330S	Vehicle Systems Part 2: Fuel Systems PM240S	Vehicle Systems Part 1: Climate Control & Accessories PM340S
		Applied Heavy Duty Mechanics PM640S

Hairstyling

Term	Grade 10	Grade 11	Grade 12
Semester 1 Term 1	Intro to Hairstyling HS120S	Intermediate Haircutting & Barbering Techniques HS130S	Advanced Hairstyling & Colouring HS140S
Semester 1 Term 2	Basic Hairstyling HS220S	Hair Colouring HS230S	Advanced Haircutting & Chemical Texture Services HS240S

Semester 2 Term 2	Related Salon Service HS420S	Chemical Texture Service & Artificial Hair HS430S	Certificate Preparation HS440S

Building Construction

Grade 9	Grade 10	Grade 11	Grade 12
Introduction to Carpentry CAI10SV	Carpentry Fundamentals CAF20SV	Carpentry Tools & Equipment CTE30SV	Applied Carpentry ACP40SV
		Exterior/Interior Finishing EIF30SV	Advanced Framing ADF40SV
		Framing FRM30SV	Carpentry Millwork AML40SV
			Surveying & Concrete SUR40SV

Tech. Ed./Vocational Programming

Level 1 & Professional Certification

If students wish to pursue Hairstyling, Automotive Technology or Building Construction even further, there are additional opportunities as noted below:

Automotive Level 1 Requirements:

- 70% average obtained in 9 out of 10 courses
- Hours requirement met
- Recommendation of the instructor

Hairstyling Certification:

- 70% average obtained in all 12 required courses
- Hours requirement met
- Certification exam

Building Construction Level 1 Requirements:

- 70% average obtained in 10 courses
- Hours requirement met (900 hours)
- Additional 900 hours required through apprenticeship opportunity outside of school/classroom hours

French Immersion

(all 14 courses are required for the F.I. Diploma)

Grade 9	Grade 10	Grade 11	Grade 12
Français (French Language Arts) FRC10F	Français (French Language Arts) FRC20F	Français (French Language Arts) FRC30S	Français (French Language Arts) FRC40S

Course Descriptions Online

The screenshot shows the website for Portage Collegiate Institute. At the top, there is a navigation bar with the following links: HOME, INFO, NEWS, CALENDAR, COURSES, ATHLETICS, COURSE CHANGES, and PARENT PORTAL. The 'COURSES' link is currently selected. Below the navigation bar, there are several sections: 'Division Updates' with a notice about 'K-8 ADMIN DAY (NO CLASSES)' on Friday; 'Programs' with a welcome message and a description of the semester system; and a 'COURSES' dropdown menu. The dropdown menu lists various course categories: Academics (English, Fine and Performing Arts, Human Ecology, Languages, Mathematics, Physical Education, Science, Social Sciences), Technical - Vocational (Automotive Technology, Building Construction, Hairstyling, Business, Broadcast Media, High School Apprenticeship Program), Special Interest, and Student Services (Teen Clinic, Addictions Foundation). To the right of the course menu, there is a search bar and a calendar for February. The calendar shows that today is Tuesday, February 27th. The browser's address bar shows 'o.ca/pci/courses'.

Programs

Welcome to Portage Collegiate Institute!

We are a semestered high school offering a wide range of semestered high school we divide the school year into two semesters from September to January with final exams the last week of January and February to June.

Under the semester system students take fewer courses in a shorter time frame. Some students are able to complete their required courses in a shorter time frame. This allows secondary students the opportunity to get an early start on work or university. Our graduates from secondary institutions follow a semester system and our graduates from university institutions follow a semester system.

Academics

- English
- Fine and Performing Arts
- Human Ecology
- Languages
- Mathematics
- Physical Education
- Science
- Social Sciences

Technical - Vocational

- Automotive Technology
- Building Construction
- Hairstyling
- Business
- Broadcast Media
- High School Apprenticeship Program

Special Interest

Student Services

- Teen Clinic
- Addictions Foundation

P.C.I. Course Fees 2022-23

Accounting 30S	\$25 workbook fee
Accounting 40S	no fee if you have workbook from 30S
Automotive	\$15 per course, 2 workbooks at \$15 each
Band	\$40/year instrument rental for students who don't have their own
B-Ball Skills Academy	\$50 per course
Building Construction	\$25 per course
Beading	\$40 per course
Clay/Pottery	\$40 per course
Foods & Nutrition	\$40 per course
Guitar	\$40 per course
Hairstyling	\$80 refundable kit deposit, \$40 per year, \$30 spring field trip, \$80 for workbook in Gr. 12
Infant Centre	\$20 user fee per semester
Photography	\$40 per course
Resistance Training	\$25 per course
Textile Arts & Design	\$10 per course
Visual Arts	\$40 per course
Student Fees	Full Year \$60 (<u>Students pay \$40</u> , Division Office subsidizes \$20)

Credits from Outside Activities

Eligible to be Used Toward Graduation:

Royal Winnipeg Ballet (RWB):

You can obtain credits if you are registered in the senior levels of the RWB professional program.

Special Language Credit Option:

You can earn credits for mastery of a language other than English or French. This includes the American Sign Language credits. Special examinations are required.

Not Eligible to be Used Toward Graduation:

Private Music Option:

You can acquire music credits if you complete examinations with the Conservatory Canada or The Royal Conservatory of Music programs. However, these credits cannot be included among the 30 credits required for high school graduation.

Cadets:

Participation in the Cadet program allows you to acquire a maximum of two credits. However, these credits cannot be included among the 30 credits required for high school graduation.

See Guidance Department if you feel you may qualify for any of these credits. Specific documentation will be required.

Special Language Credits

Special language exams are written in Fall and Spring through the Winnipeg School Division.

When it is time to register, announcements will be made. Please see Mrs. Tooth to register and have any questions answered.

Career Staff @ PCI

Credits for Employment

If you have earned a Career Development course credit, which is taken in Grade 9 at PCI, then you have successfully unlocked future credit options once you turn 16.

- Earn while you learn

- Earn up to 2 credits towards high school graduation

- 110 hours of employment equals a high school credit

- Hours can be earned outside of the school day

To register to earn Credits For Employment, connect with Mr. Hordeski in the West Office

High School Apprenticeship Program

Opportunity to earn while you learn

Receive up to 8 credits towards high school graduation

All credits are at the Grade 12 level

Also earn “real-deal” apprenticeship hours towards a certified trade

Flexible - Hours can be earned outside of the school day

Basic Criteria:

Minimum of 16 years of age to participate

Employment in a recognized trade (more than 50 possibilities)

To learn more about this amazing program,
please connect with Mr. Hordeski in the West Office.

Community Career Credits:

- **Career Development Internship Credits** - This program allows students an opportunity to earn up to two CDI credits for unpaid internship. (CDI 0305-30G, CDI 0305-40G). Students have earned internship credits by working in fields such as health care and early childhood education.
- **PCI/Military Basic Training Co-op** - This course, offered afternoons during second semester, allows Grade 11 and 12 students to participate in military basic training. Successful applicants become employees of the military, allowing them an opportunity to earn a salary and Basic Military Qualification (BMQ). Students also receive two Credits For Employment (CFE 0304-30G, CFE 0304-40G) for having completed the course.

See Mr. Hordeski in the West Office for more information.

Community Career Credits:

PCI/Red River College Health Care Aide Partnership - This course, offered second semester to graduating Grade 12 students, allows students to gain valuable experience in the field of health care. Students attend Red River College where they not only receive Health Care Aide training, but also get to apply their learning in a work experience practicum. Students earn five 40S credits towards high school graduation as well as Health Care Aide Certification.

Indigenous Health High School Internship Program - This program allows Indigenous students an opportunity to gain experience in the field of health care. During Phase 1, students earn a ½ High School Internship Program credit. During Phase 2, students earn summer employment and 2 CFE credits. This program runs during second semester.

See Mr. Hordeski in the West Office for more information.

Volunteer Credit

Volunteering in our community can help you earn a high school credit toward graduation:

One volunteer credit can be earned during your time in high school & students have the option of working towards a half or full credit.

Students must register and be approved by Ms Bousquet in the Career Centre **prior** to starting the credit at PCI.

The volunteer credit must have a supervisor that can sign for the hours.

The hours can begin at any point in the school year and can carry over to other years in school.

Check out volunteering options in the Career Centre

55 hours = $\frac{1}{2}$ credit

110 hours = full credit

Culture Exploration Credit

Learn about a culture through community members and cultural organizations:

One culture credit can be earned during your time in high school & students have the option of working towards a half or full credit.

Students must register and be approved by Ms Bousquet at the Career Centre **prior** to starting the culture credit at PCI.

The culture credit must have a supervisor that can sign for the hours.

The hours can begin at any point in the school year and can carry over to other years in school.

55 hours = ½ credit

110 hours = full credit

Post-Secondary Preparation

It's very important to keep options open!

Even if you are not sure if you will go on to college or university, you should take time to reflect now on possible career choices for your future.

Many courses have pre-requisites. These pre-requisite courses require planning!

NOTE: Not all 40S courses meet the entrance requirements so it is important to check with Ms Bousquet in the Career Centre!

Considering University

Current requirements in Manitoba:

Brandon University

Graduate from PCI

University of Manitoba

Graduate from PCI with a minimum of 5 credits at the 40S level

(Must include English 40S, Math 40S, 2 academic 40S courses)

Meet average requirement. (See Ms Bousquet about Vocational Credits)

University of Winnipeg

Graduate from PCI with a minimum of 5 credits at the 40S level

Meet average requirement

NOTE: Not all 40S courses meet the entrance requirements so it is important to check with Ms Bousquet in the Career Centre!

Personal High School Portfolios

It is important that you keep all of your important documents during your high school career, **especially for Scholarship & Bursary Applications**

PCI will not be keeping track of this information for you.

Some things to include in your Personal Portfolio:

- Report cards
- Resume
- Academic awards
- Sports awards/teams
- Reference letters
- Positive referrals
- Thank you cards/letters
- Community Involvement/Volunteering

Note: myBlueprint is an excellent tool you can use to create and keep track of your Personal Portfolio. See Mrs. Pruden or Ms. Bousquet if you need help with this.

When Will Timetables Be Ready?

As of April 2022, we do not have a timeline yet. Timetables are typically ready for students to pick up in late June. More information will be shared in late May through your grade level Google Classroom regarding when and how to access your timetable for next year.

If you require course changes after you receive your timetable, you will need to fill out a Course Change Form and submit it to your counsellor. This can be done online through the PCI website.

Timetables

Check for all of your required courses (graduation and post-secondary)

Semester 2 Timetables often change for various reasons: staffing changes, failures, entire classes being moved to another block, etc.

In Semester 2, you MUST use the Homeroom Lists posted outside either office to ensure you receive an accurate Semester 2 timetable.

If you follow the Semester 2 timetable you received in September, you may be missing a class.

CHECK THE HOMEROOM LISTS ON FIRST DAY OF SEMESTER 2!!

Course Change Form Online

The screenshot shows a web browser window with the URL www.plpsd.mb.ca/pci/coursechanges. The page header features the Portage Collegiate Institute logo and a navigation menu with links for HOME, INFO, NEWS, CALENDAR, COURSES, ATHLETICS, COURSE CHANGES, PARENT PORTAL, and GRADUATION. The main content area includes a "Division Updates" section with a notice about K-8 Admin Day on March 2nd, a search bar, and a "School Day 2" section. The "Course Changes" section is highlighted, containing a link to "Student Course Change Procedures" and a message to students and parents. A calendar widget shows the current date as Monday, February 26th, with the month of March and the start of April visible. The Windows taskbar at the bottom shows various application icons and the system clock indicating 2:33 PM on 26/02/2018.

Apps Clevr Employee Connect - Home | Portage Colle

Please complete the Student Course Change Form (on the 1st page) by following these steps:

Step 1: Record the date, student name, grade, phone number and google classroom email address. The email address is important as this is how the student will be contacted by the guidance counsellor to discuss the request.

Step 2: Record the name(s) of the course(s) you wish to drop, along with the period/block, the teacher's name and the reason why.

Step 3: Record the name(s) of the course(s) you would like to add to your timetable and the reason why you want the course added.

Step 4: Parent and teacher signatures are only required for dropping a course.

Step 5: Return the completed Student Course Change Form to the office in the PCI West Building where it will be forwarded to and reviewed by the student's guidance counsellor.

The student is to continue following his or her current timetable until the guidance counsellor meets with the student to discuss the course change request

Please refer to the following links below.
