

Course Planning at PCI

CURRENT GRADE 10

Graduation

30 credits required: 20 core courses & at least 10 options

	Grade 9	Grade 10	Grade 11	Grade 12
CORE 20	English	English	English	English
	Math	Math	Math	Math
	Phys. Ed.	Phys. Ed.	Phys. Ed.	Phys. Ed.
	Social Studies	Geography	History	Gr. 12 Option
	Science	Science	Gr. 11 Option	Gr. 12 Option
PLUS 10 OPTIONS	Career Development (Division Requirement)			

Special Note:

In order to be considered a **Grade 12** student you **must** have completed a minimum of **22 credits**.

Students with less than 22 credits, may be working on a 5 year grad plan, and will be considered Gr. 11.5 next year.

Ms. Bousquet is the guidance counsellor and resource teacher for these students.

Once students are on track to graduate, they will be moved to Grade 12.

Graduation Requirements

Provincial Diploma = 30 credits from High School

Students can earn a dual diploma – the Manitoba High School Diploma and a Vocational Diploma.

Vocational Diploma = 30 credits, including specific vocational program requirements

Provincial Diploma with Distinction = completing Grade 12 with 32 credits or more

The focus should be on doing well, with a manageable load, being careful not to overload yourself with the number of courses.

Honour Roll

Students who have maintained an average of 80% or higher will be named to the school's Honour Roll. This achievement will be recognized at the Undergrad Awards which is held in October.

Honour Roll Requirements

Students who have maintained an 80% average will be named to the school's honour roll. The awards average is calculated as follows:

Grade	Core Subjects	# of Best Electives
9	5 core courses (Eng., Math, Soc., Sci. P.E.)	2 best electives
10	5 core courses (Eng., Math, Sci., Geo., P.E.)	2 best electives
11	4 core courses (Eng., Math, History, P.E.)	3 best electives
12	3 core courses (Eng., Math, P.E.)	4 best electives (Gr. 12 level, taken any year)

Note: Grade 12 Pre-Cal can count twice, as Math + one elective

Grade 12 Graduation vs. Post-Secondary vs. Honour Roll Requirements vs. Entrance Scholarship Requirements

Grad Requirements in Manitoba: English 40S, Math 40S, Phys. Ed 40F and 2 other 40S courses

Post-Secondary Requirements: English 40S, Math 40S, Phys. Ed 40F and 3 other 40S courses (excluding Vocational Courses)

Honour Roll Requirements: English 40S, Math 40S, Phys. Ed 40F and 4 other 40S courses. Note: MAP40S can count for Math 40S and one other 40S course.

Entrance Scholarships: Post-secondary requirements plus specific eligible courses

Note: See Ms Bousquet ASAP in the Career Centre to check these requirements

Grade 11 Core Courses

English ENT30S or ENC30S or ENL30S

Math MAE30S or MAA30S or MAP30S

Phys. Ed See slide for details

History HIS30F

Grade 11 English Options

Grade 11 students must take at least one of the following courses:

- *English Transactional Focus (ENT30S)
- *English Comprehensive Focus (ENC30S)
- *English Literary Focus (ENL30S)

English Core Course Descriptions

* **English Transactional Focus** – emphasizes the practical uses of language: language that informs, directs, persuades, plans, analyzes, argues, and explains. **Texts will be approximately 70% non-fiction and 30% literary.** The Transactional Focus addresses a variety of informal and formal communication, ranging from notes, telephone calls, and oral discussions to reports, essays, feature articles, formal presentations, business letters, and documentaries.

* **English Comprehensive Focus** – an even balance between literary and practical works. This course provides students with opportunities to explore and produce a broad range of texts from practical texts such as media and newspaper articles to literary texts such as drama and poetry. **This course will concentrate 50% on non-fiction and 50% on literary texts.**

* **English Literary Focus** – This course focuses on literary texts, but some of the course will involve practical texts as well. **Texts will be approximately 70% literary and 30% non-fiction.** The course encourages an in-depth exploration and enjoyment of literature and the development of language arts through literature. This course will prepare students for first year university English courses, especially when combined with English AP 42S in grade 12.

*Core course

Grade 11 Math Options

Grade 11 students must take at least one of the following courses:

- ***Math Essentials (MAE30S)**– practical, everyday math, math for life
- ***Applied Math (MAA30S)**– graphing calculator, equal difficulty to Pre-Calculus
- ***Pre-Calculus Math (MAP30S)**– paper and pencil math, problem solving and algebra, VERY fast pace
- ***All Year Pre-Calculus Math (MAP30SW and MAE30SW)**– paper and pencil math, problem solving and algebra. Students can earn 2 credits.

How do I decide which Math to take?

- Grade 11 generally continue with the stream of Math started last year.
- Check post-secondary program requirements. **Changing Math streams requires taking the Gr. 10, Gr. 11, and Gr. 12 Math credit in that stream.**

Grade 11 Phys. Ed. Options

You must take one of the following:

Phys. Ed.	PED30F
Principles of Resistance Training	PER30F
Principles of Basketball Phys. Ed.	PEB30F
Principles of Football Phys. Ed.	PFB30F

Note: You may only take **one** Phys. Ed. credit in Gr. 11.

Option Courses For Grade 11

Course Selection Challenges

PLEASE NOTE:

The courses we are offering now could change. We hope to offer all of the courses listed, and will notify you of changes in the most timely manner possible.

Courses

Welcome to Portage Collegiate Institute!

We are a semestered high school offering a wide range of courses for Grade 9 to Grade 12 students. As a semestered high school, we divide the school year into two semesters. The first semester runs from September to January with final exams the last week of January. The second semester runs from February to June.

Under the semester system, students take fewer courses in a term but complete them in the same amount of time.

Grade 11 Option Courses (Non-Vocational)

Computer/ Technology Education	Performing Arts	Fine Arts	Human Ecology	Indigenous Studies/Fine Arts	Language Courses	Social Sciences	Sciences
Computer Science CSC30S	Concert Band BAN30S	Clay/Pottery CLY30S	Foods & Nutrition FDN30S	Beadwork ABW30S	Basic French FRE30S	Agriculture AGC30S (open to Gr 10-12 students)	Biology BIO30S BIO40S

Tech. Ed./Vocational Programming

Level 1 & Professional Certification

If students wish to pursue Hairstyling, Automotive Technology or Building Construction even further, there are additional opportunities as noted below:

Automotive Level 1 Requirements:

- 70% average obtained in 9 out of 10 courses
- Hours requirement met
- Recommendation of the instructor

Hairstyling Certification:

- 70% average obtained in all 12 required courses
- Hours requirement met
- Certification exam

Building Construction Level 1 Requirements:

- 70% average obtained in 9 courses
- Hours requirement met (900 hours)
- Additional 900 hours required through apprenticeship opportunity outside of school/classroom hours

French Immersion

14 courses are required for the F.I. Diploma

Beginning in the 2024-25 school year, students starting Grade 9 will require a minimum of 15/30 credits taught in French.

Grade 11 French Immersion Program Compulsory Courses

Grade 9	Grade 10	Grade 11	Grade 12
Français - compulsory (French Language Arts) FRC10F	Français - compulsory (French Language Arts) FRC20F	Français - compulsory (French Language Arts) FRC30S	Français - compulsory (French Language Arts) FRC40S

REA30SP	CDV20SP

New Course: Agriculture (AGC30S)

This new course is open to students in grades 10-12. The course hopes to offer a current view of the state of Agriculture that will include multiple presenters such as Ag In the Classroom and will strive to include the latest in technology trends. The goal is also to be able to leave the confines of the school to connect with local stakeholders and participate in Agriculture related experiences.

New Course: Science 30S (SCI30S)

Current issues in Grade 11 Science will explore current topics using the scientific inquiry model and process to better understand local experimentation with agriculture, the science of crime and medical advances to improve the quality of life. The first topic includes a study of local food production industries and their reliance on local agriculture, social sustainability and the science of crop rotation. The second theme is forensic science. Students will observe, interpret, and classify physical evidence to solve crimes and other scenarios. The third topic will discuss advances in the medical industry and technologies used in Manitoba.

P.C.I. Course Fees 2024-25

Automotive	\$15 per course; \$30 workbook fee in Grade 10; student requires work boots and coveralls
Band	\$40/year instrument rental for students who don't have their own
Building Construction	\$40 per course
Beading	\$40 per course
Clay/Pottery	\$40 per course
Foods & Nutrition	\$40 per course
Guitar	\$40 per course/year instrument rental for students who don't have their own
Hairstyling	Grade 9 \$25 Grade 10 Lab Fee \$65 Grade 11 Lab Fee \$60 and tool kit deposit \$80 Grade 12 Lab Fee \$65
Photography	\$40 per course plus an SD card (can be purchased at Locker to Locker)
Resistance Training	\$25 per course
Textile Arts & Design	\$40 per course
Visual Arts	\$40 per course; \$8 for sketchbook if needed (can be purchased from the teacher)
Student Fees	Full Year \$60 (<u>Students pay \$40,</u> Division Office subsidizes \$20)
Graduation Fee	\$80 (Grade 12 Students Only)

Credits from Outside Activities

Eligible to be Used Toward Graduation:

Royal Winnipeg Ballet (RWB):

You can obtain credits if you are registered in the senior levels of the RWB professional program.

Special Language Credit Option:

You can earn credits for mastery of a language other than English or French. This includes the American Sign Language credits. Special examinations are required.

Not Eligible to be Used Toward Graduation:

Private Music Option:

You can acquire music credits if you complete examinations with the Conservatory Canada or The Royal Conservatory of Music programs. However, these credits cannot be included among the 30 credits required for high school graduation.

Cadets:

Participation in the Cadet program allows you to acquire a maximum of two credits. However, these credits cannot be included among the 30 credits required for high school graduation.

See the Guidance Department if you feel you may qualify for any of these credits.
Specific documentation will be required.

Special Language Credits

Special language exams are written in Fall and Spring through the Winnipeg School Division.

When it is time to register, announcements will be made. Please see Mrs. Tooth to register and have any questions answered.

Mrs. Tooth can be emailed at: kim.tooth@plpsd.net

Career Staff @ PCI

Currently see Mr. Hordeski:

- Health Care Aide Program
- High School Apprenticeship Program
- Credits for Employment
- Indigenous Health Care Internship Program

Mr. Hordeski – blair.hordeski@plpsd.net

Career Staff @ PCI

See Mr. Green:

- Health Care Aide Program
- High School Apprenticeship Program
- Credits for Employment
- Indigenous Health Care Internship Program

Mr. Green – jason.green@plpsd.net

Credits for Employment

If you have earned a Career Development course credit, which is taken in Grade 9 at PCI, then you have successfully unlocked future credit options once you turn 16.

- Earn while you learn

- Earn up to 2 credits towards high school graduation

- 110 hours of employment equals a high school credit

- Hours can be earned outside of the school day

To register to earn Credits For Employment, connect with Mr. Green. His office is in the East Building.

High School Apprenticeship Program

- Opportunity to earn while you learn
- Receive up to 8 credits towards high school graduation
- All credits are at the Grade 12 level
- Also earn “real-deal” apprenticeship hours towards a certified trade
- Flexible - Hours can be earned outside of the school day

Basic Criteria:

- Minimum of 16 years of age to participate
- Employment in a recognized trade (more than 50 possibilities)

To learn more about this amazing program,
please connect with Mr. Green. His office is in the East Building.

Community Career Credits:

PCI/Red River College Health Care Aide Partnership

This course, offered second semester to graduating Grade 12 students, allows students to gain valuable experience in the field of health care. Students attend Red River College where they not only receive Health Care Aide training, but also get to apply their learning in a work experience practicum. Students earn five 40S credits towards high school graduation as well as Health Care Aide Certification.

Indigenous Health High School Internship Program

This program allows Indigenous students an opportunity to gain experience in the field of health care. During Phase 1, students earn a ½ High School Internship Program credit. During Phase 2, students earn summer employment and 2 CFE credits. This program runs during second semester.

See Mr. Green in the East building for more information.

Career Staff @ PCI

Ms Bousquet – kellee.bousquet@plpsd.net

Volunteer Credit

Volunteering in our community can help you earn a high school credit toward graduation:

One volunteer credit can be earned during your time in high school & students have the option of working towards a half or full credit.

Students must register and be approved by Ms Bousquet in the Career Centre **prior** to starting the credit at PCI.

The volunteer credit must have a supervisor that can sign for the hours.

The hours can begin at any point in the school year and can carry over to other years in school.

Check out volunteering options in the Career Centre

55 hours = $\frac{1}{2}$ credit

110 hours = full credit

Culture Exploration Credit

Learn about a culture through community members and cultural organizations:

One culture credit can be earned during your time in high school & students have the option of working towards a half or full credit.

Students must register and be approved by Ms Bousquet at the Career Centre **prior** to starting the culture credit at PCI.

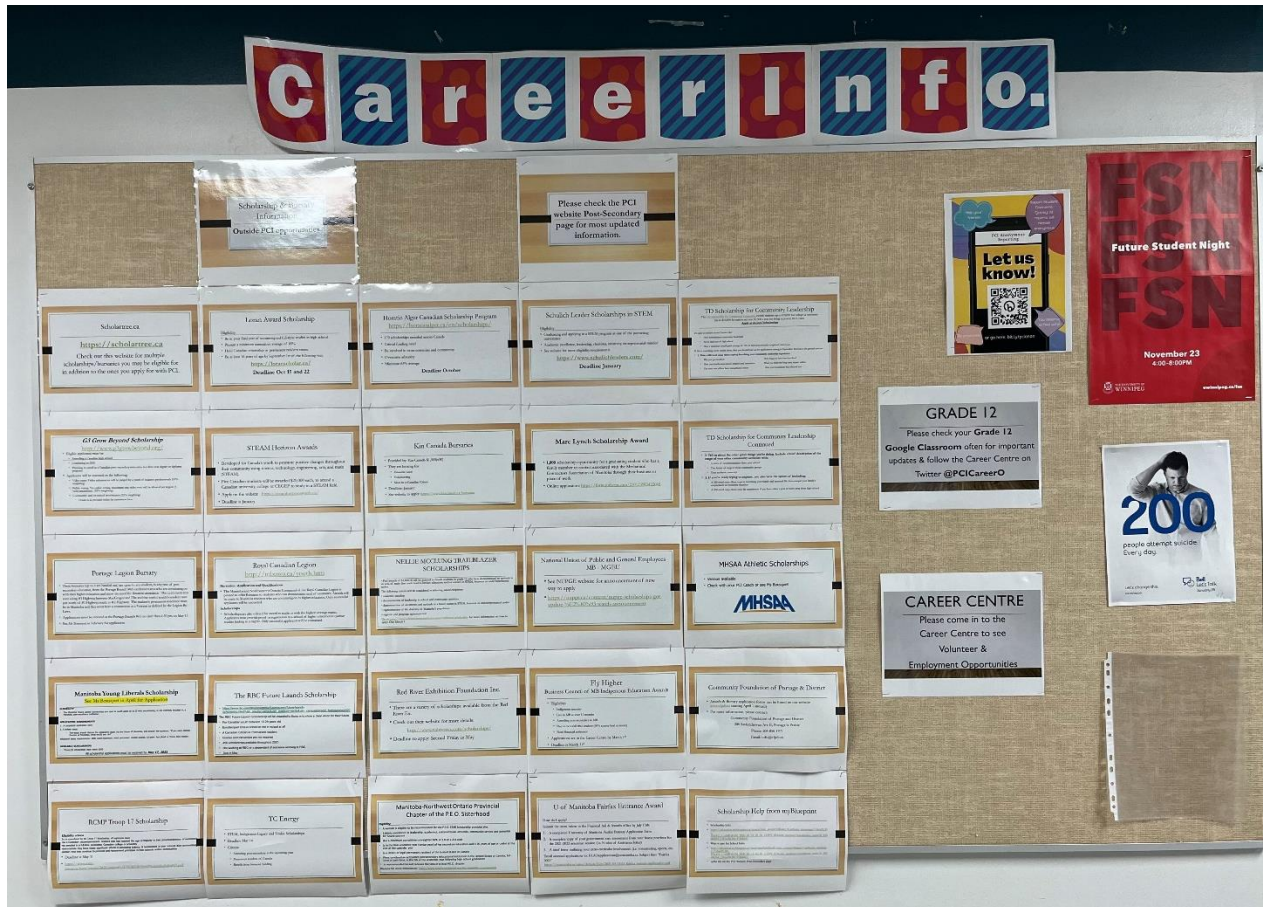

The culture credit must have a supervisor that can sign for the hours.

The hours can begin at any point in the school year and can carry over to other years in school.

55 hours = ½ credit

110 hours = full credit

Career Centre Info. Board

Visit the Career Centre

If you have any questions,
please connect with Ms. Bousquet:

kellee.bousquet@plpsd.net

Phone 204-857-6843 ext. 2013

Room 12 in the West Building

POST-SECONDARY PLANNING & APPOINTMENTS

Students in Grade 11 should meet with Ms Bousquet to discuss post-secondary requirements BEFORE Grade 12 course selection is complete.

Email: kellee.bousquet@plpsd.net (including your spare/lunch hour availability)

Post-Secondary Google Classroom 2024-2025

Students planning to attend post-secondary will be invited to the Post-Secondary Google Classroom once they are in Grade 12 on the Grade 12 Google Classroom

The screenshot shows a Google Classroom interface for a class titled "Post-Secondary 2023-24". The header features a dark blue banner with illustrations of gold coins and a rolled-up diploma, and a "Customize" button. Below the banner, there are several functional areas:

- Meet:** A section with a "Meet" button and a "Generate link" button.
- Class code:** Displays the class code "zjdyuqb" with a refresh icon.
- Upcoming:** Shows "No work due soon" and a "View all" button.
- Announcements:** A section titled "Announce something to your class" with a refresh icon. It contains an announcement from Kellee Bousquet, dated Dec 21, 2023, regarding the University of Winnipeg's annual Open House on February 21, 2024. The announcement text reads: "Save the Date Open House Info from U of Winnipeg: February 21, 2024. Counsellors are invited to save the date for The University of Winnipeg's annual Open House. Open House is a great time for your students to see why UWinnipeg is the right choice for their studies. Students can meet with professors, learn more about programs, talk with current students, tour our buildings and labs, apply for admission, and more. More details, bus drop-off information, and registration are coming soon! PCI Students will have the opportunity to sign-up to attend with PCI, if there are enough students who want to go. More details in Sem. 2 - Ms Bousquet".

Reasons to see Ms Bousquet

- Check Entrance Requirements for various schools and programs
- Check Entrance Scholarships Requirements at U of M
 - *Psychology and Law DO NOT count*
 - so come and see the list of approved courses!*
- Check requirements **BEFORE** you choose courses so we can plan your timetable with these requirements in mind.
- March 1st is the Manitoba deadline for Direct Entry and Entrance Scholarships (you can still apply to university after this date – See Ms Bousquet)
- Please email Ms Bousquet at kellee.bousquet@plpsd.net, or stop by the Career Centre to make an appointment.

Post-Secondary Preparation

It's very important to keep options open!

Even if you are not sure if you will go on to college or university, you should take time to reflect now on possible career choices for your future.

Many courses have pre-requisites. These pre-requisite courses require planning!

NOTE: Not all 40S courses meet the entrance requirements so it is important to check with Ms Bousquet in the Career Centre!

Considering University

Current requirements in Manitoba:

Brandon University

Graduate from PCI

University of Manitoba

-Graduate from PCI with a minimum of 5 credits at the 40S level

(Must include English 40S, Math 40S, 2 academic 40S courses)

-Meet minimum average requirement of 70% and no less than 60% in each

(See Ms Bousquet about Vocational Credits e.g PHO10SV)

University of Winnipeg

Graduate from PCI with a minimum of 5 credits at the 40S level

Meet average requirement

NOTE: Not all 40S courses meet the entrance requirements so it is important to check with Ms Bousquet in the Career Centre!

Scholarship & Bursary Meeting in February

Who Should Apply:

Anyone going on to any type of post-secondary (including trades/apprenticeship) this year or next year. Scholarships and bursaries earned can be held for a year, students get money when they show proof of paid tuition.

- Not all awards are based on academics (some are based on extra-curricular involvement, some awards are dependent on the program you are entering)
- 95 awards last year ~ \$90,000
- Bursary - financial need, Scholarship - academics
- Check for Bursaries/Scholarships at universities & colleges

Preparing to Apply for Scholarships and Bursaries

It is important that you look for all of your important documents that highlight your achievements in high school.

PCI will not be keeping track of this information for you.

Some things to gather include:

- Report cards
- Resume
- Academic awards (including honour roll)
- Sports awards/teams
- Reference letters
- Positive referrals
- Thank you cards/letters
- Community Involvement/Volunteering
(If you have not started volunteering, please see Ms Bousquet)

Course Selection

must be completed through

www.myBlueprint.ca

myBlueprint Course Selection

You will need to use your myBlueprint account, and be prepared to choose your courses (look at descriptions online, know what courses are required, and know what you need for post-secondary)

<https://myblueprint.ca/>

Login for current Grade 11 students: firstname.lastname@plpsd.net, or

Please enter up to 2 alternate courses which may be used to generate you timetable if your first choices conflict with other courses.

When Will Timetables Be Ready?

Timetables will be sent to students late August/early September.

If you require course changes after you receive your timetable, you will need to email Ms. Wood.

Timetables

Check for all of your required courses
(graduation and post-secondary)

Semester 2 Timetables often change for various reasons: staffing changes, failures, entire classes being moved to another block, etc.

Updated timetables can be viewed in the PowerSchool App, and will also be emailed to parents/students at the start of Semester 2.

It is extremely important that you are following the most updated version of your timetable, so that you do not end up missing a class!

Grade 11 Google Classroom

Important Information on:

- School Activities
- Upcoming important dates
- Teen Clinic Appointments
- Contact information for your support team
- Bus cancellations due to weather

Check your
Grade 11
Google
Classroom
often and
regularly!

If you have any questions regarding course selections for next year, please contact Ms. Wood at:

lori.wood@plpsd.net

204-857-6843 ext. 2528

Thank you! 😊
