Introductions—Your Grade Level Team

ADMINISTRATOR:

MRS. BUDZ, VICE-PRINCIPAL

STUDENT SERVICES:

MRS.MILLS, RESOURCE TEACHER

MRS. PRUDEN, COUNSELLOR

PCI
OUR MISSION:

Our mission is to provide equal opportunities for all students to achieve their full potential in a safe environment where they can develop the skills necessary to make a successful transition into society as responsible citizens.

We believe:

- In success for all students
- In respect for ourselves, others, and all property
- In celebrating the diversity of our students and staff
- In earning respect by giving it
- In taking ownership for our actions

Grade 9 Guidance

Registration Information

Grade 9:

7 Compulsory Courses & 3 Option courses

- NO SPARES in Grade 9

- Most options are semestered

- Classes will be in both buildings

Sample Grade 9 Timetable

Time / Period		Semester 1		Semester 2	
		Day 1	Day 2	Day 1	Day 2
8:50-9:53	1	Math	Math	Math	Math
9:58-11:01	2	Business	Business	Choir	Choir
11:06-12:09	3	English	Career Development	English	Career Development
12:14-1:17	4	Lunch	Lunch	Lunch	Lunch
1:22-2:25	5	Phys. Ed	Phys. Ed	Indigenous Culture	Indigenous Culture
2:30-3:33	6	Science	Science	Social Studies	Social Studies

Which courses do you HAVE to take?

cc: Jason Goodman - https://unsplash.com/@jasongoodman_youxventures?utm_source=haikudeck&utm_medium=referral&utm_campaign=api-credit

Graduation

30 credits required: 20 core courses & at least 10 options

	Grade 9	Grade 10	Grade 11	Grade 12
CORE 20	English	English	English	English
	Math	Math	Math	Math
	Phys. Ed.	Phys. Ed.	Phys. Ed.	Phys. Ed.
	Social Studies	Geography	History	Gr. 12 Option
	Science	Science	Gr. 11 Option	Gr. 12 Option
PLUS 10 OPTIONS	Career Development (Division Requirement)			

Graduation Requirements

Provincial Diploma = 30 credits from High School

Students can earn a dual diploma – the Manitoba High School Diploma and a Vocational Diploma.

Vocational Diploma = 30 credits, including specific vocational program requirements

French Immersion Diploma = 30 credits, including specific vocational program requirements

Provincial Diploma with Distinction = completing Grade 12 with 32 credits or more

The focus should be on doing well, with a manageable course load

Honour Roll

Students who have maintained an average of 80% or higher will be named to the school's Honour Roll. This achievement will be recognized at the Undergrad Awards Ceremony which is held in October.

Honour Roll Requirements

Students who have maintained an 80% average will be named to the school's honour roll. The awards average is calculated as follows:

Grade	Core Subjects	# of Best Electives
9	5 core courses (Eng., Math, Soc., Sci. P.E.)	2 best electives (at Gr. 9 level)
10	5 core courses (Eng., Math, Sci., Geo., P.E.)	2 best electives (at Gr. 10 level)
11	4 core courses (Eng., Math, History, P.E.)	3 best electives (at Gr. 11 level)
12	3 core courses (Eng., Math, P.E.)	4 best electives (at Gr. 12 level)

Note: Grade 12 Pre-Cal can count twice, as Math + one elective

Grade 9 Core Courses

All Grade 9 Students must successfully complete the following core courses to meet graduation requirements, as well as 3 Gr. 9 option courses.

English	ELA10F
& Career Development	CDV10S
Math	MTT10F & MAT10F
Social Studies	SST10F
Science	SCI10F
Phys. Ed	See slide for details

Phys. Ed Options

Open to all	PED10F
Female	PEF10F
Male	PEM10F

Content will be the same in all courses.

Option Courses For Grade 9

Course Selection Challenges

PLEASE NOTE:

The courses we are offering now could change. We hope to offer all of the courses listed, and will notify you of changes in the most timely manner possible.

After Grade 9, we also offer more options including vocational programs

Vocational Courses

Applied Commerce

Hairstyling

Automotive Technology

Building Construction Trades

Photography

Early Childhood Education

Tech. Ed./Vocational Programming

Tech. Ed./Vocational Diploma = 30 credits

Students can earn a dual diploma – the Manitoba High School Diploma and a Vocational Diploma. In order to earn a Vocational Diploma, students must take a minimum of 8 courses in their chosen vocational stream:

- Applied Commerce
- Automotive Technology
- Building Construction & Trades
- Early Childhood Education (NEW in 2022-23!)
- Hairstyling
- Photography

Applied Commerce

Grade 9	Grade 10	Grade 11	Grade 12

Tech. Ed./Vocational Programming

Level 1 & Professional Certification

If students wish to pursue Hairstyling, Automotive Technology or Building Construction even further, there are additional opportunities as noted below:

Automotive Level 1 Requirements:

- 70% average obtained in 9 out 10 courses
- Hours requirement met
- Recommendation of the instructor

Hairstyling Certification:

- 70% average obtained in all 12 required courses
- Hours requirement met
- Certification exam

Building Construction Level 1 Requirements:

- 70% average obtained in 9 courses
- Hours requirement met (900 hours)
- Additional 900 hours required through apprenticeship opportunity outside of school/classroom hours

French Immersion

Beginning in the 2024-25 school year, students starting Grade 9 will require a minimum of 15/30 credits taught in French.

Grade 9	Grade 10	Grade 11	Grade 12
Français - compulsory (French Language Arts) FRC10F	**Français** - compulsory (French Language Arts) FRC20F	**Français** - compulsory (French Language Arts) FRC30S	**Français** - compulsory (French Language Arts) FRC40S

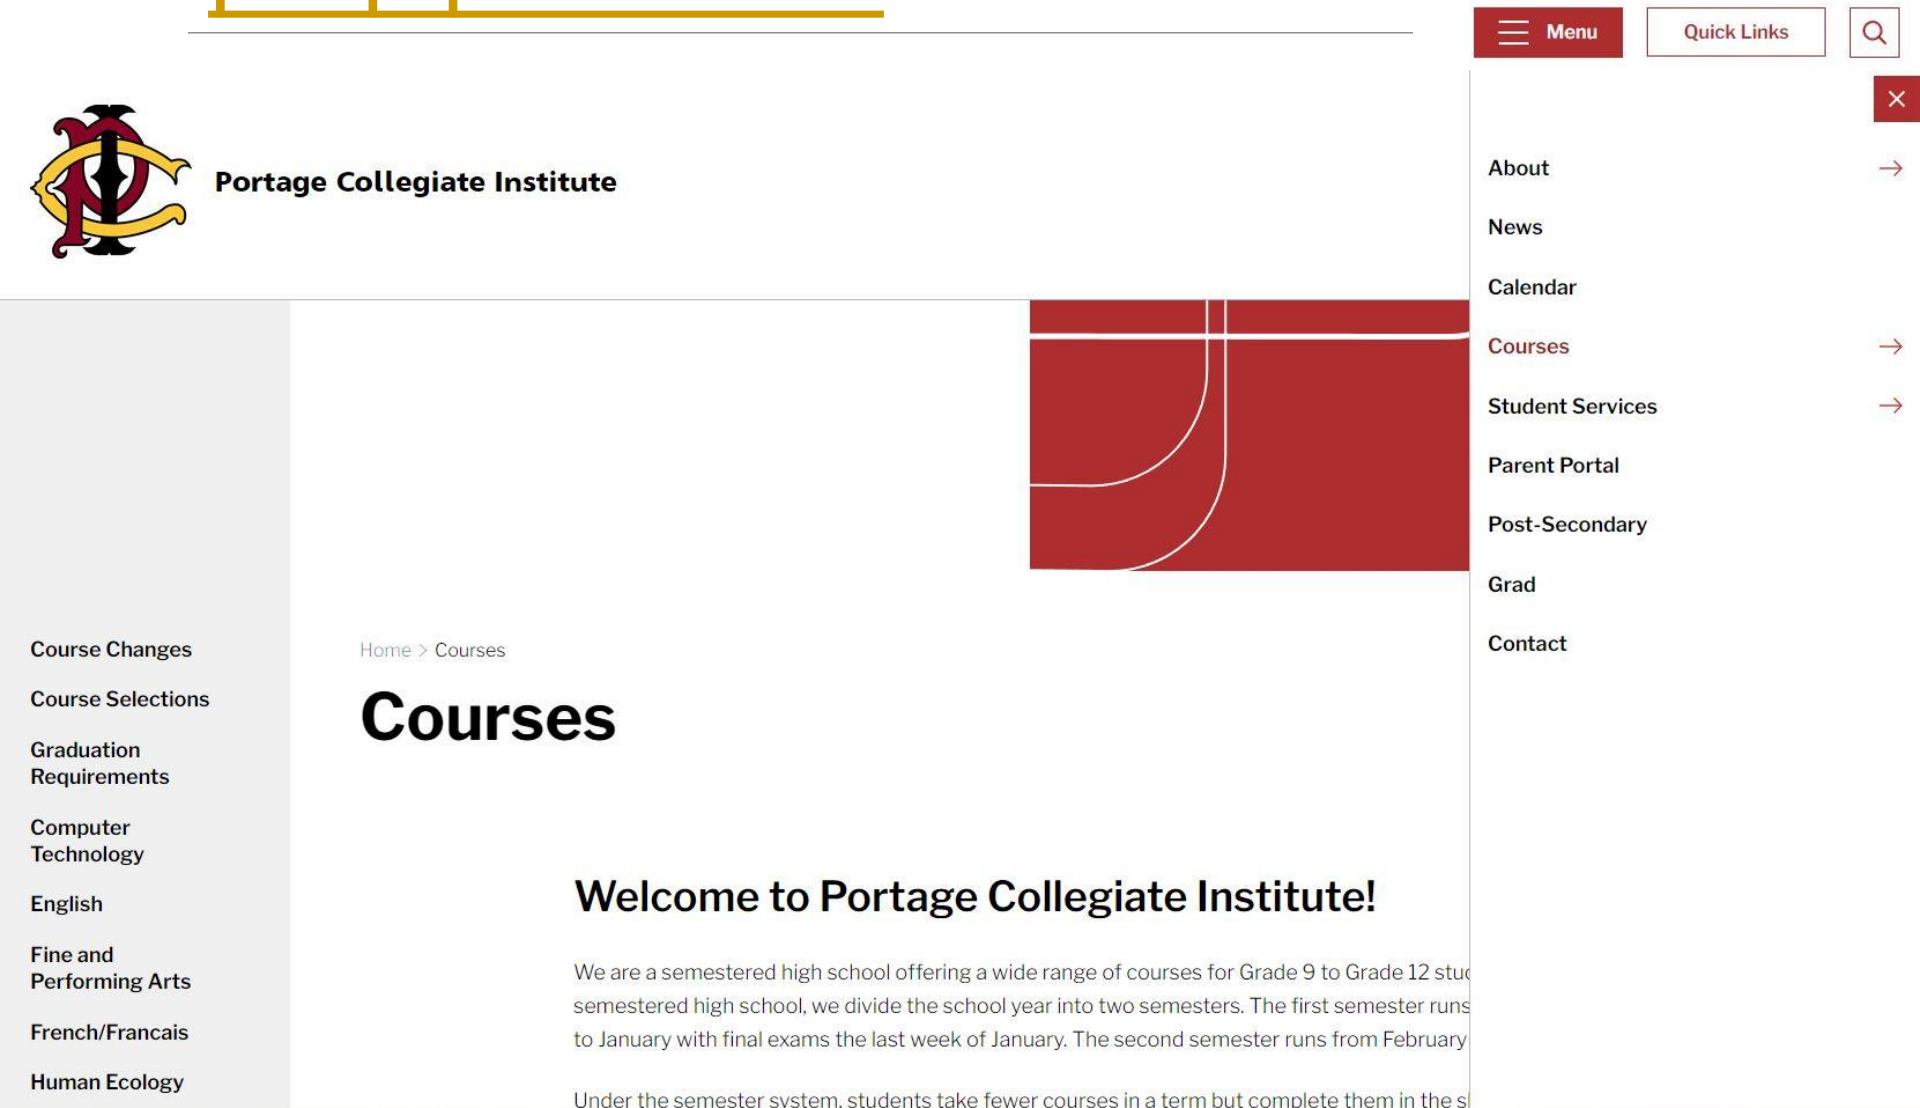
Course Descriptions Online

pci.plpsd.mb.ca



Choosing Courses

Important Information:

The number of sections of each class are decided by your selections (i.e. if only 18 students choose to take Visual Arts, there will only be one section of Visual Arts for the year.)

Let a PCI team member know if you cannot afford the fee for a course

It is important to make informed choices as you cannot change courses easily after the timetables are made

Reasons to change your timetable:

- You have a course you did not choose
- Most of your courses that have a lot of homework are in the same semester
- You have a spare (this is not allowed in Grade 9)

Not a reason to change your timetable:

- I don’t like the class/teacher
- I changed my mind

P.C.I. Course Fees 2024-25

Automotive	$15 per course; $30 workbook fee in Grade 10; student requires work boots and coveralls
Band	$40/year instrument rental for students who don't have their own
Building Construction	$40 per course
Beading	$40 per course
Clay/Pottery	$40 per course
Foods & Nutrition	$40 per course
Guitar	$40 per course/year instrument rental for students who don't have their own
Hairstyling	Grade 9 $25
	Grade 10 Lab Fee $65
	Grade 11 Lab Fee $60 and tool kit deposit $80
	Grade 12 Lab Fee $65
Photography	$40 per course plus an SD card (can be purchased at Locker to Locker)
Resistance Training	$25 per course
Textile Arts & Design	$40 per course
Visual Arts	$40 per course; $8 for sketchbook if needed (can be purchased from the teacher)
Student Fees	Full Year $60 (**Students pay $40,** Division Office subsidizes $20)
Graduation Fee	$80 (Grade 12 Students Only)

Credits from Outside Activities

Eligible to be Used Toward Graduation:

Royal Winnipeg Ballet (RWB):

You can obtain credits if you are registered in the senior levels of the RWB professional program.

Special Language Credit Option:

You can earn credits for mastery of a language other than English or French. This includes the American Sign Language credits. Special examinations are required.

Not Eligible to be Used Toward Graduation:

Private Music Option:

You can acquire music credits if you complete examinations with the Conservatory Canada or The Royal Conservatory of Music programs. However, these credits cannot be included among the 30 credits required for high school graduation.

Cadets:

Participation in the Cadet program allows you to acquire a maximum of two credits. However, these credits cannot be included among the 30 credits required for high school graduation. They would count towards earning Distinction.

See the Guidance Department if you feel you may qualify for any of these credits.
Specific documentation will be required.

Special Language Credits

Special language exams are written in Fall and Spring through the Winnipeg School Division.

When it is time to register, announcements will be made. Please see Mrs. Tooth to register and have any questions answered.

Mrs. Tooth can be emailed at: kim.tooth@plpsd.net

Career Staff @ PCI

Mr. Green – jason.green@plpsd.net

See Mr. Green:

- Health Care Aide Program
- High School Apprenticeship Program
- Credits for Employment
- Indigenous Health Care Internship Program

Credits for Employment

If you have earned a Career Development course credit, which is taken in Grade 9 at PCI, then you have successfully unlocked future credit options once you turn 16.

- Earn while you learn
- Earn up to 2 credits towards high school graduation
- 110 hours of employment equals a high school credit
- Hours can be earned outside of the school day

To register to earn Credits For Employment, connect with Mr. Green. His office is in the East Building.

High School Apprenticeship Program

- Opportunity to earn while you learn
- Receive up to 8 credits towards high school graduation
- All credits are at the Grade 12 level
- Also earn “real-deal” apprenticeship hours towards a certified trade
- Flexible - Hours can be earned outside of the school day

Basic Criteria:

- Minimum of 16 years of age to participate
- Employment in a recognized trade (more than 50 possibilities)

To learn more about this amazing program,
please connect with Mr. Green. His office is in the East Building.

Community Career Credits:

PCI/Red River College Health Care Aide Partnership

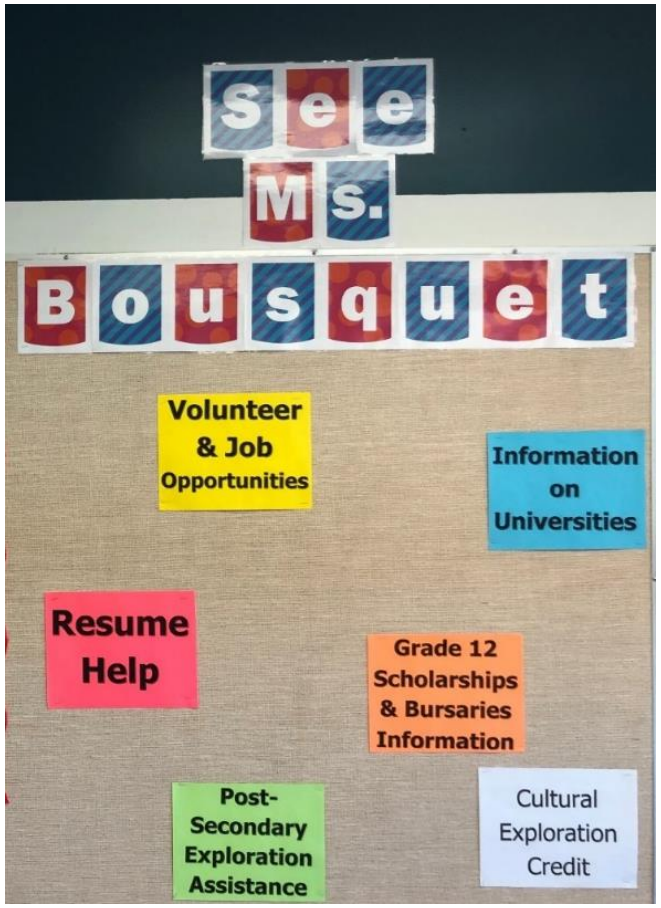
This course, offered second semester to graduating Grade 12 students, allows students to gain valuable experience in the field of health care. Students attend Red River College where they not only receive Health Care Aide training, but also get to apply their learning in a work experience practicum. Students earn five 40S credits towards high school graduation as well as Health Care Aide Certification.

Indigenous Health High School Internship Program

This program allows Indigenous students an opportunity to gain experience in the field of health care. During Phase 1, students earn a ½ High School Internship Program credit. During Phase 2, students earn summer employment and 2 CFE credits. This program runs during second semester.

See Mr. Green in the East building for more information.

Career Staff @ PCI



Ms Bousquet – kellee.bousquet@plpsd.net

Volunteer Credit

Volunteering in our community can help you earn a high school credit toward graduation:

One volunteer credit can be earned during your time in high school & students have the option of working towards a half or full credit.

Students must register and be approved by Ms Bousquet in the Career Centre **prior** to starting the credit at PCI.

The volunteer credit must have a supervisor that can sign for the hours.

The hours can begin at any point in the school year and can carry over to other years in school.

Check out volunteering options in the Career Centre

55 hours = ½ credit

110 hours = full credit

Culture Exploration Credit

Learn about a culture through community members and cultural organizations:

One culture credit can be earned during your time in high school & students have the option of working towards a half or full credit.

Students must register and be approved by Ms Bousquet at the Career Centre **prior** to starting the culture credit at PCI.

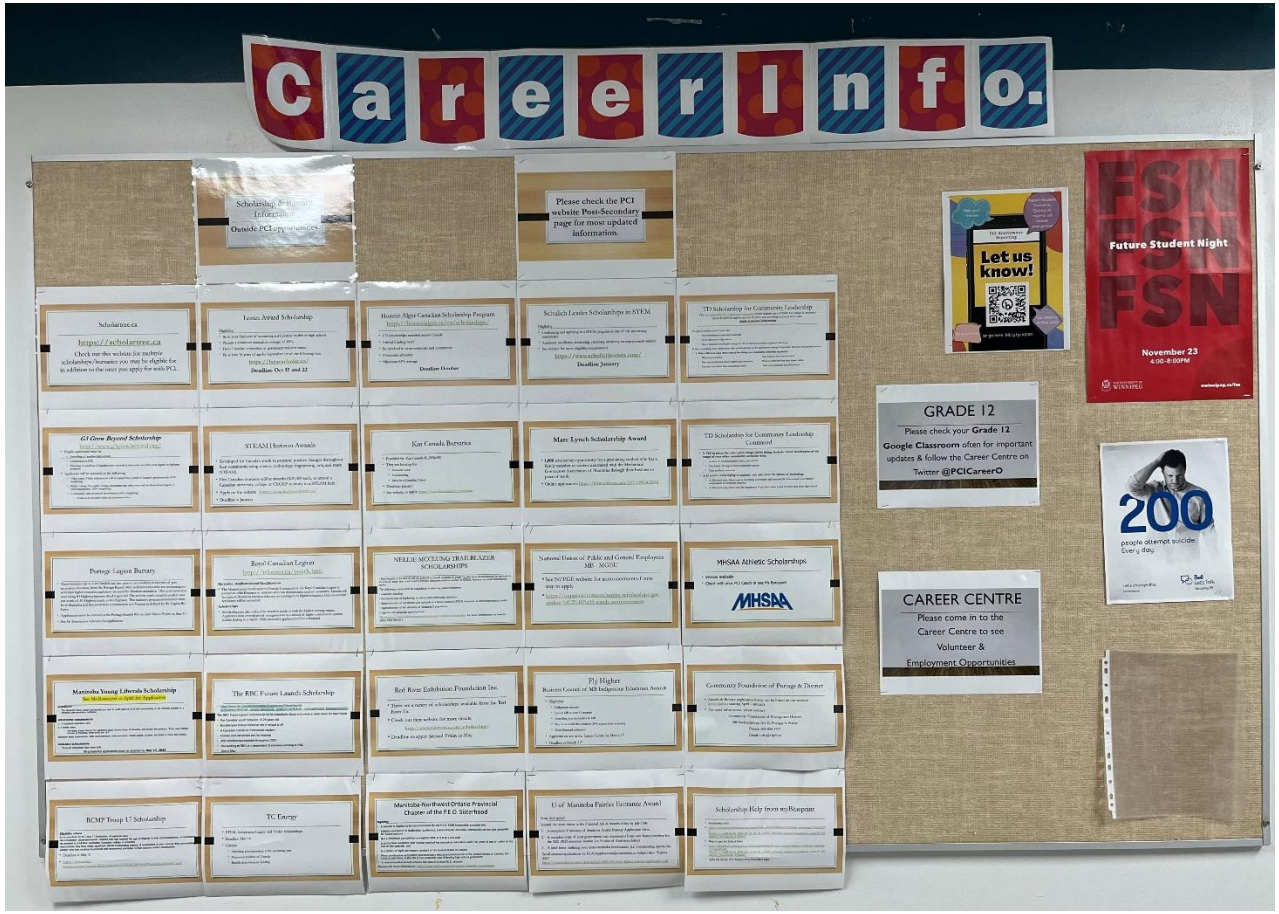
The culture credit must have a supervisor that can sign for the hours.

The hours can begin at any point in the school year and can carry over to other years in school.

55 hours = ½ credit

110 hours = full credit

Career Centre Info. Board



Visit the Career Centre

If you have any questions,

please connect with Ms Bousquet:

kellee.bousquet@plpsd.net

Phone 204-857-6843 ext. 2013

Room 12 in the West Building

Post-Secondary Preparation

It's very important to keep options open!

Even if you are not sure if you will go on to college or university, you should take time to reflect now on possible career choices for your future.

Many courses have pre-requisites. These pre-requisite courses require planning!

NOTE: Not all 40S courses meet the entrance requirements so it is important to check with Ms Bousquet in the Career Centre!

Considering University

Current requirements in Manitoba:

Brandon University

Graduate from PCI

University of Manitoba

Graduate from PCI with a minimum of 5 credits at the 40S level
(Must include English 40S, Math 40S, 2 academic 40S courses)
Meet minimum average requirement of 70%.
(See Ms Bousquet about Vocational Credits)

University of Winnipeg

Graduate from PCI with a minimum of 5 credits at the 40S level
Meet average requirement

NOTE: Not all 40S courses meet the entrance requirements so it is important to check with Ms Bousquet in the Career Centre!

Course Selection

must be completed through

www.myBlueprint.ca

myBlueprint Course Selection

You will need to use your myBlueprint account, and be prepared to choose your courses (look at descriptions online, know what courses are required, and know what you need for post-secondary)

https://myblueprint.ca/

Login for current Grade 9 students:
number.number@plpsd.net

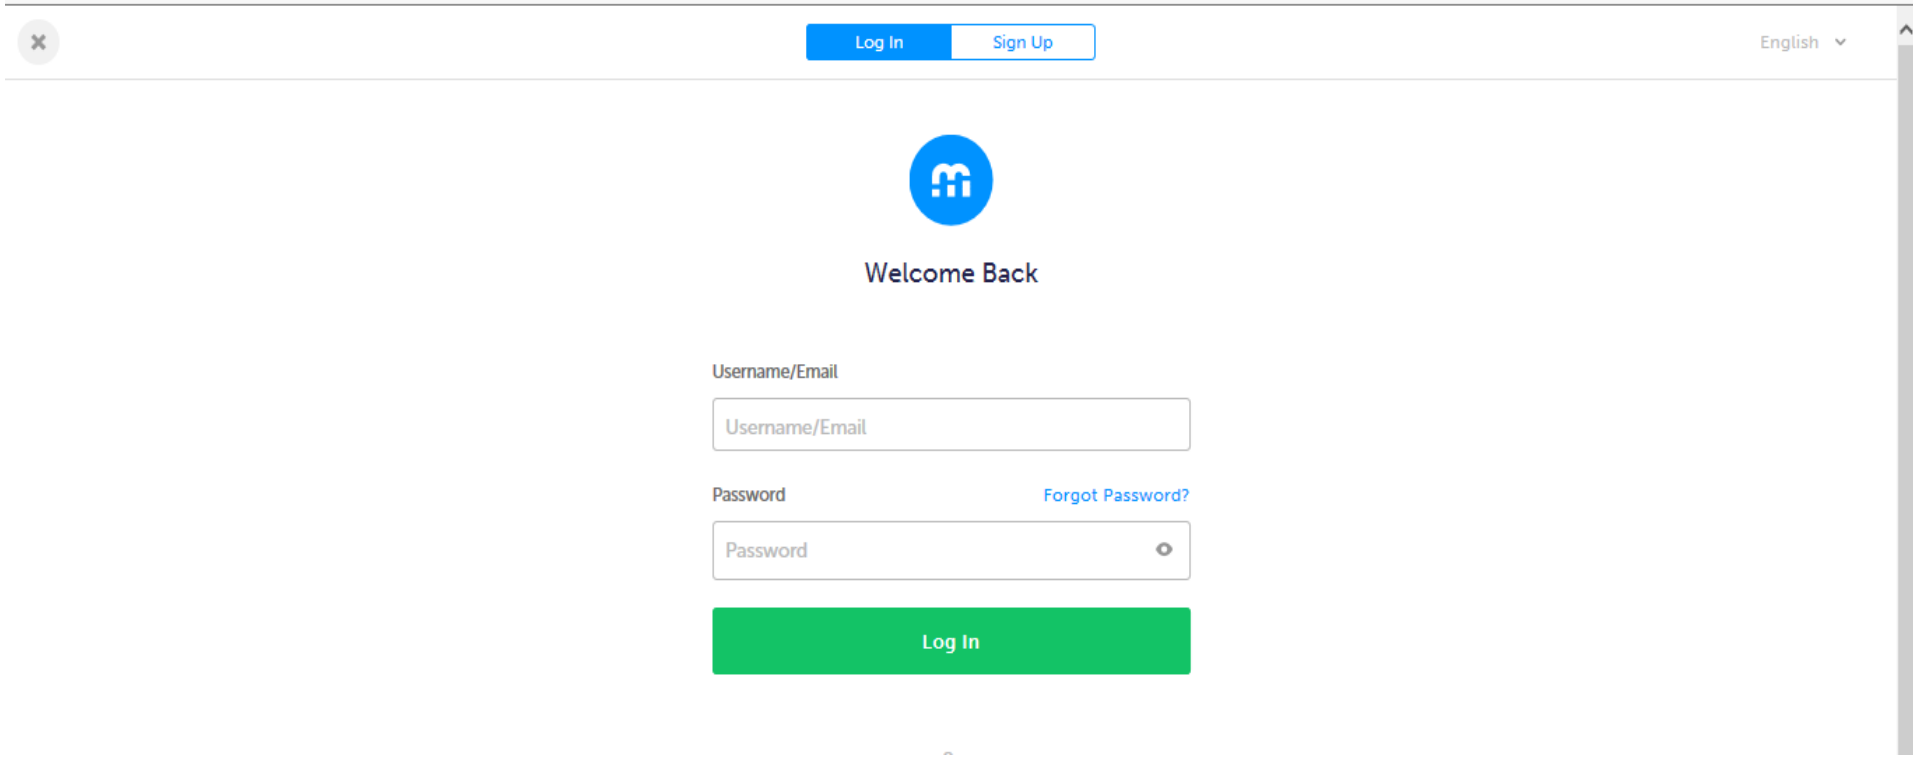
Password: Hello1234

If Hello1234 does not work, you may have changed your password. If this is the case and you do not remember it, please email Mrs. Pruden at dana.pruden@plpsd.net to have it reset.

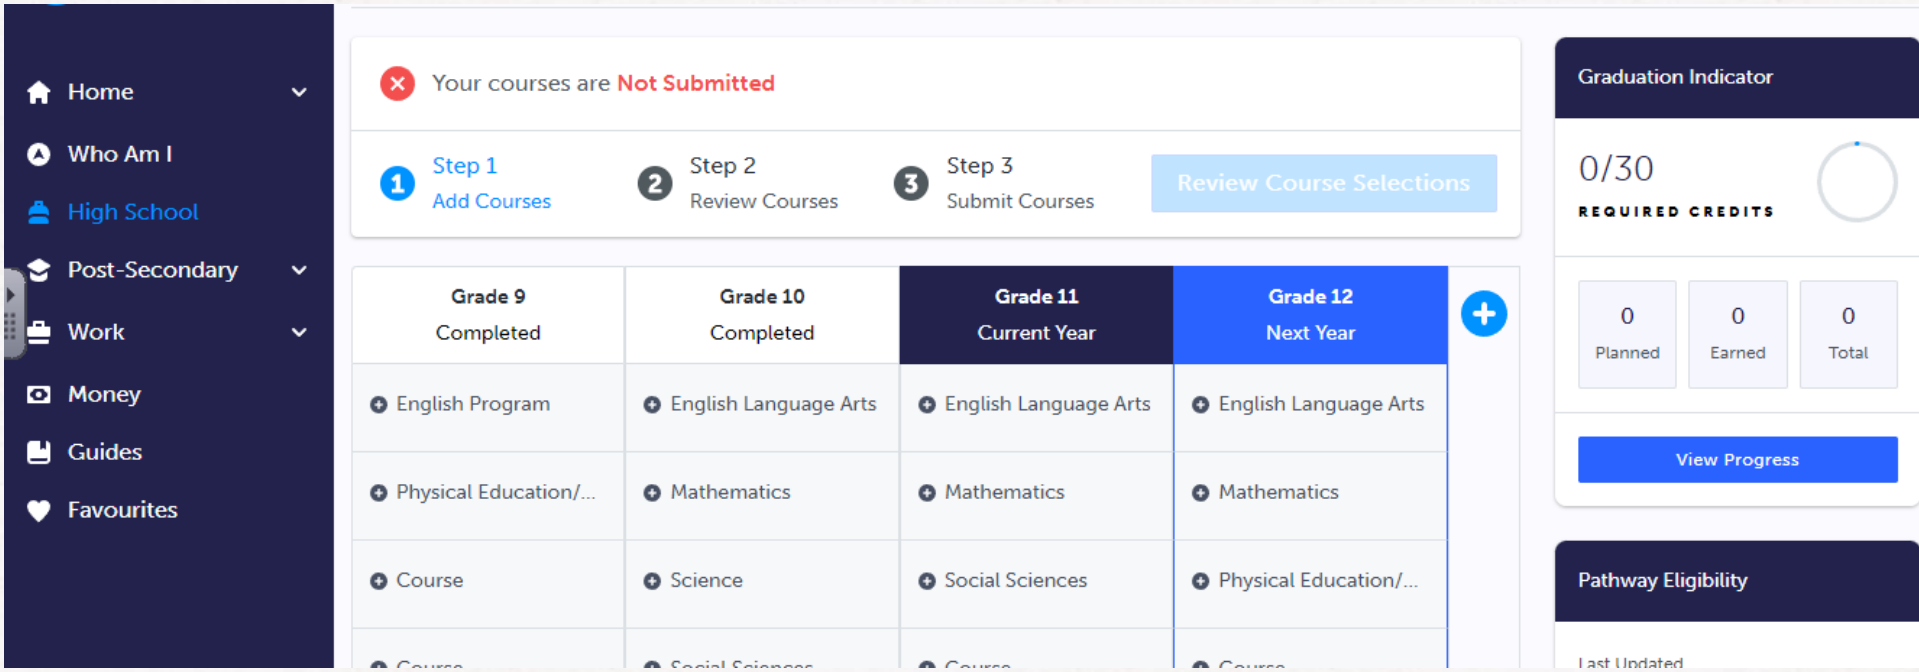
After logging in, go to **High School Plan**

myBlueprint will be open for course selections for the month of January and will close on January 31, 2024

myBlueprint



My Blueprint



Personal High School Portfolios—myBlueprint.ca

- It is important that you keep all of your important documents during your high school career. My Blueprint will help you do this.

- Some things to include in your Personal Portfolio:
  - Report cards
  - Resume
  - Academic awards
  - Sports awards
  - Reference letters
  - Positive referrals
  - Thank you cards/letters

When Will Timetables Be Ready?

Timetables will be sent to students late August/early September.

If you require course changes after you receive your timetable, you will need to email your grade level counsellor.

Timetables

Check for all of your required courses (graduation and post-secondary)

Timetables may change for various reasons: staffing changes, course failures, entire classes being moved to another block, etc.

Updated timetables can be viewed in the PowerSchool App, and will also be emailed to parents/students at the start of each semester.

It is extremely important that you are following the most updated version of your timetable, so that you do not end up missing a class!

After the timetable has been built, available courses for Semester 1 will be listed by block on the PCI website

Shuttle Buses

Transfer Buses now run between PCI and North Memorial/LVS, ECVS/EAM and FLR/YQS

All bus students must register to be on the driver's list in advance

Bus numbers and times can be arranged by calling the Operations Department- 857-5841
