Travel opportunity in 2026

Ready to embark on epic adventures, discover hidden treasures, and unlock the mysteries of the world? Travelling provides invaluable educational and personal development opportunities for kids. Experiencing new cultures, languages, and environments fosters empathy, adaptability, and independence. By allowing your kids to travel, you're giving them the gift of a broader perspective and a richer understanding of the world.

Your student has the opportunity to travel to **Amsterdam, Brussels, Paris and London** during spring break, 2026. [Students must attend PCI to travel].

Students can begin fundraising as soon as they are enrolled. Each month, students can sell Grocery Bucks and earn between 5 and 10% back. The price of the trip rises as we get closer to the departure date, so the best time to enrol is right now! Have questions? Please email JoEllen Sevchenko. joellen.sevchenko@plpsd.net
